SCCON at 70 at Snetterton

Celebrate the Platinum Anniversary of the Sporting Car Club of Norfolk

Saturday 14th August 2021

On Saturday 14th August to celebrate SCCoN's 70th anniversary a day of fun and games is being organised at the Snetterton Circuit.

We are extremely grateful to MSV Snetterton for giving free access to SCCoN members and to guests of the Club, to the grass area on the inside of the circuit with views of the action from the end of the Bentley Straight, Brundle, Nelson, through the Bombhole and around Coram.

On the day Snetterton is hosting the Classic Sports Car Club (CSCC) and the action will include the New Millenium Series, the Turbo Tin Tops and Tin Tops Series, the Open Series, the Slicks Series, and the Magnificent Sevens to round off a busy day.

As well as displays of Classic and Competition Cars we are planning a Gymkhana using the SCCoN Micras and some 'traditional' gymkhana games for everyone to enjoy. There will be Club memorabilia on display, and thanks to Gordon Shipley, John's Blues Crew will be playing for us and towards the end of the day we are taking the opportunity to present the 2019 awards!

All that we ask is that members and guests stay within the area we have been allocated by MSV Snetterton
